Far Afield

The Far Afield program, established in 1992 takes Bozeman Symphony chamber ensembles to rural communities to present free performances and share their musical perspectives. Far Afield enables the audience to see, hear and feel the music being created live instead of through the media of television or radio. There are eight ensembles and the Conductor in Residency Program currently on the Far Afield roster.

Conductor in Residency Programs

Maestro Matthew Savery offers a variety of classes tailored to specific ages. Classes range from the basics of conducting, interpretation, form and function to AP level Orchestration and Sonata Form.
